RUSSELL RURAL WATER DISTRICT NO. 3
SUSANK, KANSAS
NOTES TO FINANCIAL STATEMENTS
December 31, 2012 and 2011

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. Russell Water District No 3 is organized and established under the provisions of K.S.A 82a-612 of the Kansas Statutes for the purpose of constructing and operating a water supply distribution system serving owners and occupants of land located within the District. The organization is a quasi governmental.
- B. The records of Russell Rural Water District No. 3 are reported on the accrual basis of accounting. Revenues are recognized in the accounting period when they become both measurable and available to finance expenditures of the fiscal period. Expenditures are recognized whenever any indebtedness is created.
- C. Property, plant and equipment is recorded at cost. When individual items are sold or disposed of, the related cost and accumulated depreciation is removed and the resulting gain or loss is included in the results of operations. The straight-line method is used in computing depreciation based on the useful lives of the individual assets. Major repairs are (including capital leases) capitalized, other maintenance and repair items are expensed as incurred.
- D. Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from these estimates.

Note 2 - CERTIFICATES OF DEPOSIT

Certificates of deposit totaling \$73,848.26 bearing interest rates of .40% and have maturities ranging from twelve to eighteen months, with penalties for early withdrawal. Any penalties for early withdrawal would not have a material effect on the financial statements.

Note 3 - ACCOUNTS RECEIVABLE

Accounts receivable at December 31, 2012 are based on deposits made during the following January plus estimated amounts due on delinquent accounts. Water users read their own water meters on the first day of each month or the earliest date thereafter, compute the amount due, and remit payment for the prior months water usage to the District no later than the fifth day of the month. A twenty percent late charge is assessed after the fifteenth of the month. Each account is assessed a \$29.00 debt service fee per month, plus tax, regardless of water usage. Late charges and debt service fees are included in the sale of water. Meter amounts are verified by Water District staff annually.
